**DEAR PROSPECTIVE SPONSOR:**

On behalf of the Oakville Titans Football Club, we are asking for your support for our upcoming 2025 football season. Following another highly successful 2024 campaign, marked by successful seasons at all levels, including one championship, and record-breaking registration numbers for both our tackle and flag programs, we are eager to build on this momentum and achieve even greater success in the coming year.

Our club, dedicated to empowering individuals and our community through football, focuses on developing leaders both on and off the field. At the core of our mission are five key values: teamwork, respect, competitiveness, leadership and inclusion. These values guide our efforts to instill not only athletic excellence but also essential life skills in our players.

Comprising five tackle teams catering to ages 8 to 19, our club engages in two seasons annually - one in the spring/summer and another in the fall. With each team boasting 30 to 70 players, rigorous training sessions are held three times a week from April to July and August to November. Our teams compete in weekly games across southern Ontario, offering sponsors extensive visibility. Through our comprehensive development program, we challenge players athletically, foster sportsmanship and promote teamwork, aiming to mold them into not just superior athletes but also exemplary citizens in the community. In 2024, we executed another 'Titans Tackle Hunger' food drive, a fundraiser for breast cancer awareness, community and financial support for Orange Shirt Day and a community wide Earth Day Clean-up.

In addition to our tackle program, we proudly host one of the region's premier flag football programs. With two seasons annually, we anticipate over 700 participants ranging in age from 5-16 in 2025, embracing athletes of all types and genders. Our commitment to inclusion underscores our dedication to making football accessible to everyone.

As a football program, our operational costs are substantial, with an annual budget exceeding \$300,000. While families contribute significantly, we seek sponsors like you to assist in covering expenses related to field rental, team equipment, high performance training, trainer costs and the overall growth of football in our region. Your support will enable us to reach more children and families, fostering even greater success than in previous years.

In return for your sponsorship, we are committed to promoting your business and, whenever possible, utilizing your services. Enclosed, you will find detailed information on how you can support the Oakville Titans and the various sponsorship levels available.

Should you have any questions or require additional information about the Oakville Titans Football Club, please feel free to contact us directly. We appreciate your thoughtful consideration and look forward to the opportunity to partner with you in supporting a winning program.

Yours in football,

## TASSONE TITAN SPONSORSHIP PROGRAM

We are fortunate that we can provide several platforms for youth in our community to play football. Like most other sports, we are largely a pay-to-play model. While this works for most families, it does not work for all. As a Club, we try, wherever we can, to financially assist those families who cannot afford some or all the registration fees. Named after Kim Tassone, a former board member and club administrator who was instrumental in building the Oakville Titans Football Club in the early years, the Tassone Titan Sponsorship Program provides player sponsorships annually. If you would like to make a contribution that is earmarked for these families/athletes, please contact us to let us know and we will watch for your Interac e-Transfer to [info@oakvillettitanfootball.ca](mailto:info@oakvillettitanfootball.ca).
